

WE CREATE SPACE...

...Space to live ...Space to work

**EASISTORE**<sup>®</sup>  
SELF STORAGE

The solution to all your moving and storage needs...

## Easistore Self Storage

Easistore is your local, independent self storage company that has been providing reliable self storage solutions for over 20 years.

We provide you with your own individual safe and secure room inside one of our purpose built, climate controlled storage centres.

Choose a size to suit you, from a locker to as large a space as you need! All rooms are located on wide corridors, fitted with steel doors which are secured with your own individual padlock.

At Easistore our enthusiastic and knowledgeable teams take pride in providing superb customer service, and they are experienced in helping with all your moving and storage needs.

## Access

You have instant access whenever you want - 7 days a week and long opening hours. You can add, take away or sort through your things free of charge.

## Security

When you are not around you don't need to worry as our security systems provide you with total piece of mind.

These include digital CCTV video surveillance, unique PIN access control, 24 hour monitored fire detection and intruder alarm systems, as well as full time on-site management.

For additional protection all new customers have their photograph taken and provide proof of identity and address.

# Need to free up some valuable space around your home or office?...

## Easistore is here to help!

Whether you are looking for household or business storage we have a wide range of secure and affordable storage rooms and options.

### Home Contents

De-cluttering your home can help you achieve a quicker sale and a higher price. During your move you can store with us if there is a break in the moving chain or while you renovate or decorate your new home.

You may be renting, downsizing or going abroad. Alternatively you may just be looking to reclaim back your garage or spare room from your hobby or sports equipment, out of season clothes, antiques or garden furniture.

We also offer temperature and humidity controlled wine storage and other specialist storage options.

Whatever the reason, we create space for you!

### Students

Keep your things safe with us over the holidays. Use an Easistore storage room or locker to store valuable laptops, books and hi-fi equipment ready for next term.

### Business Users

Are you relocating, restructuring, expanding or just running out of space?

We can store your important files, equipment and furniture. Is your stock taking up valuable selling space?

Do your field staff need local secure storage for their supplies?

We also offer a wide range of office spaces, studio units and workrooms, all fully secure and climate controlled and complete with a range of supporting services.

Fork lift truck loading and a wide range of trucks and trolleys are all on site for your convenience.

Whether you are a large company or a new start up, we have the storage solution for you.

### Document Storage

Store all of your documents and archiving off site at reduced cost whilst providing additional protection against fire, theft or flood. Pick up and delivery service available.

## Moving in

You can move into your Easistore room 'immediately'. It's as simple as booking a hotel room. Sign the simple rental agreement and start moving in.

Stay for just a day or as long as you like! You can also increase or decrease your room size whenever you want to.

You can use our FREE van to move in, make your own arrangements or we can recommend trusted local removal companies.

It's your choice, you are in control at all times.

## Insurance

When you store your possessions with Easistore they must be insured. We offer competitive rates, and our insurance is available immediately and offers complete flexibility.

## Packing up

We stock the complete range of moving and packing materials including boxes, bubblewrap, tape and other useful products – all at discounted prices and flat packed to fit into your car!

We also rent crates, trolleys and shelving.

## Best Price Guarantee

We are continually checking our competitors' prices to ensure we offer you the best price at all times.

In the unlikely event that you receive a cheaper price elsewhere, let us know and we will beat it by 10%.

We guarantee to beat any other quote!

Treated as if  
it were our own!
